Product Datasheet

Product code: **4.KO.0**

Product type: Biology Tweezers

Made in: Switzerland

Description: Type 4 high precision tweezers are suitable to delicate applications which require holding a small component firmly while granting good visibility. The Cobalt Alloy has a high fatigue resistance and maintain its elasticity throughout its lifespan, resulting in exceptional durability that is unmatched by other materials.

Tip description: straight, ultra fine, sharp, superior finish

Coating/finishing: Polished

Body material: Cobalt Alloy (KO)
