

Product Datasheet

Product code: 29.SA.5

Product type: Heavy Duty Tweezers

Made in: Italy

Description: Type 29 strong reverse action tweezers are suitable to applications which require holding a big and flat component firmly. The Plastic handles and square serrated tips provide extra grip, also preventing any possible slips. Reverse action helps to hold the component firmly in a resting position.

Tip description: straight, blunted, strong, square serrated

Coating/finishing: Sandblasted

Body material: Anti-Magnetic Anti-Acid Stainless Steel (SA)

Handle material: Red plastic
