

Product Datasheet

Product code: **30.SA.5**

Product type: Heavy Duty Tweezers

Made in: Italy

Description: Type 30 strong reverse action tweezers are suitable to applications which require holding a big and flat component firmly. The bent tips provide increased ergonomics and maximum visibility. The Plastic handles and square serrated tips provide extra grip, also preventing any possible slips. Reverse action helps to hold the component firmly in a resting position.

Tip description: bent, blunted, strong, square serrated

Coating/finishing: Sandblasted

Body material: Anti-Magnetic Anti-Acid Stainless Steel (SA)

Handle material: Red plastic
