

Product Datasheet

Product code: **5SG.CX.0**

Product type: High Precision Tweezers

Made in: Switzerland

Description: Type 5SG high precision tweezers are suitable to delicate applications which require holding a very small component firmly while granting good visibility. The Superalloy material provides improved performance in severe environments. The line serration provides the handles with extra grip, also preventing any possible slips.

Tip description: straight, ultra fine, sharp, superior finish

Coating/finishing: polished

Body material: Anti-Magnetic Anti-Acid Superalloy (CX)
