

Product Datasheet

Product code: 7.NC.0

Product type: High precision tweezers

Made in: Switzerland

Description: Type 7 high precision tweezers are suitable to delicate applications which require holding a small component firmly while granting maximum visibility. The curved geometry provides maximum visibility and increased ergonomics. The Superalloy material provides improved performance in more severe environments.

Tip description: curved, very fine, sharp, superior finish

Coating/finishing: Sandblasted

Body material: Ni-Cr-Mo Superalloy (NC)
