

Product Datasheet

Product code: ES5132.CR.BG

Product type: High Precision Cutters

Made in: Italy

Description: The 5132 is a high precision cutter belonging to the micro oval cutter family. This type of

geometry provides excellent resistance, while the 5132 head dimensions allow to access very small areas. The full-flush cutting edge is suitable to perform very clean cuts on small size material. The 5132 is equipped with an ESD Ergo-tek slim handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharge. The

blades are hardened to 67HRC hardness.
