

Product Datasheet

Product code: ES6023S.CR.BG

Product type: High Precision Pliers

Made in: Italy

Description: The 6023S is a high precision plier belonging to the long snipe nose plier family. The long jaw length improves the ease of the hold while the thicker tip makes the hold safer. The smooth surface on the jaw prevents scratches while holding. The 6023S is equipped with an ESD Ergo-tek slim handle which allows an excellent grip, suitable to environments and to components susceptible to electrostatic discharge. The jaws are hardened to 45HRC hardness.

Head description: Strong, Snipe Nose

Body material: High carbon-chromium low alloy steel (100Cr6)

Body finishing: Sandblasted

Handle material: Ergo-tek Slim - Thermoplastic Elastomer + PP compound
