

Product Datasheet

Product code: M3E.CX.0

Product type: Biology Tweezers

Made in: Switzerland

Description: Type M3E mini tweezers are suitable to delicate applications which require holding a very

small component firmly while granting good visibility. The short body allows a firmer grip combined with greater practicality. The Superalloy material provides improved performance in

severe environments.

Tip description: straight, very fine, pointed, superior finish

Coating/finishing: polished

Body material: Anti-Magnetic Anti-Acid Superalloy (CX)
