

Product Datasheet

Product code: **NMCP-1**

Product type: Cleaning Pen System

Made in: China

Description: NMCP-1 MicroPen-tek safely and effectively cleans latent compound and dust from micro camera lenses, small LCD displays, and other optical devices. With its specially designed NMCP-H micro flat and round tip, NMCP-1 allows access to small working areas. It is also equipped with an improved cap and retractable brush to ensure longer cleaning life. The incorporated invisible Carbon compound outperforms all other cleaning systems.

Special features: Micro round and flat tip

Tip material: Carbon Black and goat hair

Body material: ABS
