

Product Datasheet

Product code: **PC2050.C.PV.P**

Product type: Precision cutters

Made in: Italy

Description: PC2050 is an angled economy flush micro cutter. Its slim profile allows easy access to cut in limited working areas. In addition, its angled head provides excellent visibility when used in either vertical or horizontal position. Its shears employ a unique technology to carry out a clean and smooth cut. Providing this cutter with anti-shock shear cut features, in fact, this system greatly reduces mechanical shock to the component and requires the operator less effort to perform the cut.

Body material: C67

Handle material: KPS 85A
