

## Product Datasheet

**Product code:** **XLR.S.0**

**Product type:** Diamond Tweezers

**Made in:** Switzerland

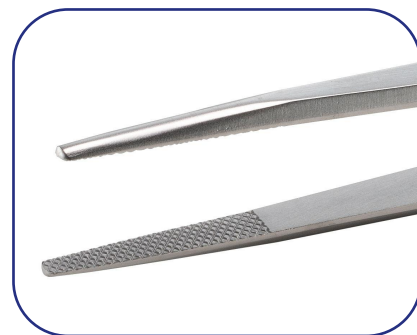

**Description:** Type XLR Diamond tweezers are suitable to jewellery applications which require holding a diamond very firmly. The line serration provides the handles with extra grip and the rhomb serrated tips prevent any possible slips. The locking system helps to hold the diamond component firmly during handling. It is also equipped with very hard, stiff tips and body to prevent it from bending.

**Tip description:** straight, extra large, beveled, strong, rhomb serrated, superior finish

**Coating/finishing:** Sandblasted

**Body material:** Stainless Steel (S)
